"Now I am at last back on the internet at home, I just wanted you to know how fantastic the guys who moved me 2 weeks ago were. They made what could have been an extremely stressful day bearable and they were friendly, pleasant, hard-working and efficient throughout the whole business. I shall definitely recommend your company to anyone who needs movers in the future; everyone involved has been great."

"I just wanted to drop you a line to say how impressed we were with Marco and his colleague (whose name I didn't catch!). They were polite, professional and worked incredibly hard and made our move so much easier especially as they were so unfazed by the huge quantity of stuff we had! I would have no hesitation in recommending them to anyone thinking of moving and if I should move again yours will be the first number I call!. Thanks again."

"I just wanted to give you some feedback on my move last Saturday; the guys were great and moved all my stuff very quickly, even though there was a challenging parking situation. This has been the easiest move so far and I just wanted to say thank you, I will definitely keep your number and recommend you to my friends as well!."

"Just to say thank you for organising the packing for me. Markov and his mate arrived on time this morning and did an excellent job. It has certainly made the preparations for our building work much easier. Many thanks, and best wishes."

"Thanks for everything."

I have been very happy with the service you provided, both in packing and removal and also the efficiency of the

booking. This made what can be a stressful time much easier and took a lot of the worry away on moving day, starting with the fact that the team turned up exactly at the time they said they would. I felt every member of the moving team took great care with our property and would have no hesitation in recommending you to friends (as indeed I already have)"

Dr Dominic Rogers

"Thankyou, the move went very smoothly and I cannot recommend the guys highly enough. They were pleasant, smiley, efficient, respectful, very helpful and are a credit to you.

Your charges are very reasonable and realistic and it's lovely to come across a company that is not trying to rip it's customers off.

Once again, many, many thanks and best wishes to all of you."

"Sorry it has taken me so long to write to you. I used your firm about 6 weeks ago to move from Northview, N7 to Stanley Road, N11. I just wanted to say what a first class service you provided. The guys who carried out the move couldn't have been more professional, courteous and hard working and I won't hesitate to recommend your firm in future.

Many thanks for making what could have been a very stressful day into a smooth and easy one!"
